

IN MEMORY

Young & District Family History Group Inc. would like to pay tribute to those servicemen & women who served in WW1.

We would like to put together a collection of A4 pages recognising those who served in any way & present this as a visual presentation at the Town Hall for ANZAC Day 2015.

If your family member has a connection to YOUNG we would love to hear from you. Your family member may have been born here in Young & then enlisted or they may have made Young their home after their service & become part of the Young community.

Any information compiled & supplied to YDFHG as part of this presentation could be used in a booklet form at a later date.
